Georgia on my mind

At Last

Let's do it, Let's fall in love

What a difference a day makes

Fever

My baby just cares for me

La Vie en Rose

Sway

Fly me to the moon

Feeling Good

Moondance

When I fall in love

Taking a chance on love

Come away with me

L.O.V.E

A Tisket a tasket

Bewitched, Bothered and bewildered

They can't take that away from me

Why don't you do right

What a wonderful world

Killing me Softly

Dream a little dream of me

Hit the road Jack

The way you look tonight

My funny valentine

Moon River

Can't take my eyes off you (Bossa Nova version)

Rehab

Flowers

Uptown girl

I put a spell on you

Rolling in the deep

# PMJ

I was made for lovin you

Seven nation army

Running up that hill

All about that Bass
